APPIATSE THIRD AND FINAL PHASE TO COMMENCE

The Appiatse Reconstruction Implementation Team is set to commence the third and final phase of the Appiatse redevelopment project in October this year, 2024.

This phase will complete the resettlement of the affected residents. We wish to put on record that the Government through the Ministry of Lands and Natural Resources is committed to ensuring that the 3rd and final phase will be completed in good time.

We thank the Appiatse Support Fund, our donors, contributors and the people of Appiatse for their unflinching support and cooperation as we work towards the common goal of completing this 3rd phase.

END
